AUCTIONEERS NOTE: What a collection. Norma enjoyed many a day sitting at auctions. Early in her married life she began tagging along with her father-in-law to weekly Iowa farm auctions where he encouraged her to buy quality items. She was bitten by the antique bug and always enjoyed the thrill of the hunt for quality or unique pieces. She loved early country décor. Please note, this is a partial list. If you collect smalls, mark your calendars. Norma loved inside sales with seating, so we are moving the sale indoors with seating & air. See you at the sale. David, Dusty & Bill
