Celebrating 55 Years In Business

AUCTIONEERS NOTE: Walter started working for Fabick in 1973 and opened his own shop in 1980. He was a welder/mechanic for 48 years. He said it's time to slow down. Walter is well known & respected for his knowledge on working on heavy equipment. His service truck is the envy of most mechanics & his high lift is super clean. There's no way to list all the shop tools & parts. He's decided to go ahead & sell his firearms collection as well. You'll never meet nicer people than Walter & Jody. See you at the sale. David, Dusty & Bill
NOTE: Due to parking we'd ask you to pick up large items after the auction. There's not a lot of room for trailers. For more information on the equipment call Walter at 636-262-8739
