**AUCTIONEERS NOTE:** Marjorie started following our auctions in the 70's & 80's, she loved country antiques & advertising. If it had anything to do with sheep, donkeys, rabbits, chickens, etc., she collected it. Her collection again, features one we'll talk about years from now. Please note this is a very partial list, she never had a sale. The house is dark, so I did the best I could to make the list. Her collection of picture frames w/ farm animal scenes is as good as you'll find. Mark your calendars, here's a good one. David, Dusty & Bill
